Letter dated: phone call on: verbal authorization received:

Inspection

*Review the attached list of **Prohibited Activities** and **Allowed Uses** or **Reserved Right** and the last inspection report to determine whether the terms of the Conservation Restriction are being observed.*

Are there any violations of the terms of the Restriction? yes no (If yes, describe below.)

Does the Landowner agree to correct noted violations? yes no What steps will be taken?

Are there any allowed uses that have been conducted since last inspection? yes no
Were these uses conducted in an environmentally sound manner? Describe below:

Does the Landowner expect to conduct any new activities in the next year? yes no
If so, what? *(If Landowner did not participate in the site visit, determine by phone call, etc.)*

What is the condition of the property? *Note any significant undocumented effects from fire, erosion, floods, blowdowns, vegetation changes.*

Are there any changes in surrounding properties; development, erosion, tree cutting, etc?
yes no Describe below.

Does the CR have public access? yes no If so, is this access properly maintained?

Photos

Were photographs taken? yes no How many?

Pictures should try to duplicate photo locations and views found in the baseline documentation of the Restriction or where a change in the property has occurred. Pictures should be developed, labeled and sent to office, or labeled and transmitted to office electronically.

General

Were any unusual plants, animals or other natural features observed? yes no
Describe below.
